November's First Thursday will have Rich VonStetten of the Recycle program speaking about this timely topic. The club is organizing a committee which will be dealing with this issue, namely working with the general public to participate. The meeting will be at TGIF in Dover with dinner at 6:30 and the program at 7. Members are urged to bring guest. For further information contact Ron Zink at 302.735,8996.

Recycling Committee Goals:

1. Education campaign - how and why to recycle
2. Advocacy campaign - Get statewide recycling
3. Partnerships - schools, newark senior center

EDUCATION GOAL

- A. Ezra will create wiki in the future, divide into areas, regarding how to recycle
- B. Take Rena's info for a "why to recycle" page.
- C. Ask questions to the following nine municipalities:

NCCo: Newark (Ginger), Wilmington (Carolyn), Middletown (Carolyn)

Kent County: Dover, Smyrna, Milford (JUNE)

Sussex County: Georgetown (Ginger), Rehoboth Beach (Ginger), Seaford (Carolyn)

June will send info on CFL information.

Please send me responses to questions:

Questions to ask:

- *. What information would you give to new residents about opportunities recycle in this community?
 - *City offer program?
 - *Drop-off locations
 - *DSWA participation
 - *Hazardous waste disposal
 - *CFL disposal
 - *Any other local places to go or resources for recycling, particularly other goods such as Styrofoam, other plastics, etc?
